Georgian College reserves the right to change or cancel programs or courses. The College also reserves the right to make changes to a student's timetable.

You are responsible for verifying that courses selected by you or assigned to you will meet your graduation requirements. To graduate from a program you must satisfactorily complete all the required courses which comprise your certificate or diploma program, including general education courses, courses offered as choices and any co-operative work terms, field placements or practicum as outlined in the Program Outline. It is also recommended that you check your progression towards graduation by logging into **MyPath** from the student portal.

Please note that there may be exceptional cases in which the online fee assessment calculation may not be accurate due to the selection of certain courses with varying hours. Although every attempt has been made to minimize this situation, the College reserves the right to reassess fees after the add/drop period.
